

Do You Have a Juvenile Record?

The TeamChild Juvenile Record Sealing Clinic may be able to help you SEAL your record for FREE!

ARE YOU ELIGIBLE TO SEAL?

- Has it been at least 2 years since you were last released from confinement for a juvenile misdemeanor, class C felony, class B felony, completed diversion or a deferred disposition?

OR

- Has it been at least 5 years since you were last released from confinement for a class A felony?

If so, you may be eligible as long as you have remained crime-free since your last conviction and have paid all your restitution.

- * Most sex offenses are now eligible to be sealed. Contact us for more information.
- ** If you are helping someone seal their record and they cannot be present at the clinic, we may be able to assist you but you will need to call us before you come to the clinic.
